SAFEGUARDING: OCHRANA DETÍ A ZRANITEĽNÝCH DOSPELÝCH PRED SEXUÁLNYM ZNEUŽÍVANÍM

Program aims for the prevention of Child Sexual Abuse and formation for those who are working in that field.

The e-Learning Course is offered by The Centre for Child Protection (CCP) of the Pontifical Gregorian University with cooperation of Catholic University of Ružomberok, Faculty of Theology in Košice.

The interdisciplinary approach integrates methods and analytical frameworks from different disciplines:

- psychology,
- methodology,
- theology,
- canon law,
- social sciences.

Core competencies:

The skills and abilities:

- To receive basic knowledge about Child Sexual Abuse
- To recognize possible signs of abuse and to identify appropriate means of intervention
- To learn about legislative and procedures as a matter of solving cases of CSA
- To assist and care for victims/survivors of abuse
- To implement prevention in their context of work (schools, seminars, formation, etc.)

Program of the course:

The course consists of 8 Units, learned by students on their own, and 5 face to face meetings for the whole group, providing lectures and workshops deepening the topic.

Teaching language is English. Slovak is accepted for papers and participation in meetings. Attendance is mandatory.
