- International environment – more than 1000 international students from over 40 countries around the world
- Bachelor (undergraduate) and Master (graduate) study programs taught in English
- ECTS Label and the DS Label – European Union recognition
- Education and academic research reflecting current business trends
- University life in friendly environment
- BSBA and MBA programs with City University of Seattle, USA.

# Czech Republic

People say the Czech Republic is not a country, but a garden. You can expect many unforgettable moments. Let yourself be carried away by distinct atmosphere of Czech famous monuments.

# Prague

Prague, City of a Hundred Spires, a UNESCO monument and one of the most beautiful cities in the world. Get to know it in person!

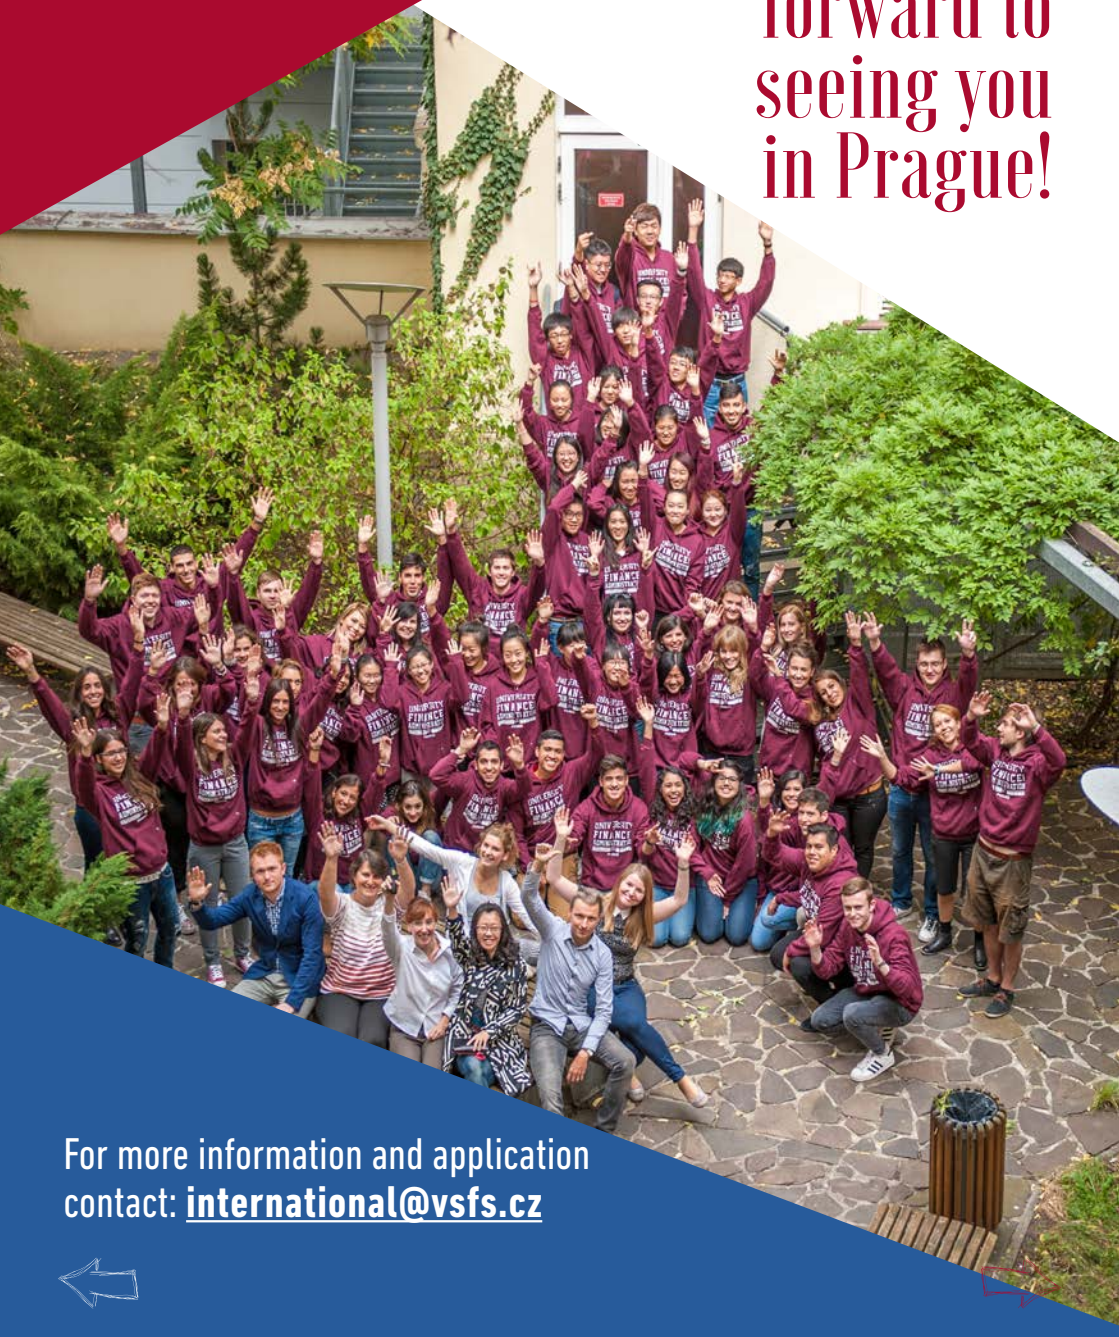

# Kutná Hora

A popular daytrip destination from Prague, Kutna Hora offers spectacular faded grandeur without the capital's madding crowds. The financial center of Bohemia until the silver ore ran out, Kutna Hora once rivaled Prague's magnificence. The site of Wenceslas II's Royal Mint in 1308, the town was added to UNESCO's World Heritage list in 1996. Saint Barbara's cathedral and the eerie Kostnice bone church, decorated with disconcerting sculptures of the bones of plague victims, are main attractions.
