NOW PUBLISHED BY CHICAGO

The *American Journal of Health Economics* (AJHE) provides a forum for the in-depth analysis of health care markets and individual health behaviors. The articles appearing in AJHE are authored by scholars from universities, private research organizations, government, and industry. The journal is published for ASHEcon, which is a professional, non-profit organization dedicated to promoting excellence in health economics research in the United States. AJHE will join the University of Chicago Press journals program beginning in Winter 2020 (Volume 6, Issue 1).

NEW IN 2020

*Environmental and Energy Policy and the Economy* is a new NBER journal that publishes rigorous, careful, and nonpartisan research with high policy impact in environmental and energy policy economics. The journal provides careful identification and measurement of individual incentives, unintended consequences, market and nonmarket effects, economic efficiency, and distributional impacts with consequences for the effective and efficient management of environmental and energy challenges. The first issue will be published in January 2020 (Volume 1, Issue 1).

We are honored to welcome the *American Journal of Health Economics* and *Environmental and Energy Policy and the Economy* to the 2020 CCP.
