- for teacher training programmes Art Education, Music Education, Music Art and Physical Education, it is necessary to successfully pass **talent exam** (*see the part talent exams*);
- other study programmes – without admission exam and talent exam.

The order of the applicants will be established on the basis of the following rules:

- The average value of grades from the subjects of the school-leaving exam is calculated for the applicant. The stated value is multiplied by the coefficient of the high school the applicant graduated from:
 - coefficient 1 for grammar school,
 - coefficient 2 for secondary vocational school,
 - coefficient 3 for secondary vocational training school with school-leaving exam.
- In case of talent exams the evaluation is counted in following way:
 - 50 % for the results at high school and 50 % for talent exam .

The final score will be determining factor for the position of the applicant in the order of success rate at the admission procedure.

If the conditions of admission of a certain study programme are met by a larger number of applicants, those applicants will be admitted, who show the highest level of ability to study according to the conditions of admission.
