- *Special Pedagogy and Pedagogy of the Mentally Disabled*: an oral examination of knowledge from two areas: Special Pedagogy basis and history of special pedagogy and pedagogy of the mentally disabled (detailed areas on the department's website),
- *Mathematics Teaching (in combination)*: an oral admission interview focused on an overview of Mathematics in the scope of theses for the bachelor's degree in Mathematics (in combination).

The order of candidates will be established on the basis of the following rules:

- The order of applicants for study will be compiled according to the achieved study results in the bachelor's study (average of the state exam);
- In the case of talent exams, the score is calculated as follows: 50% for the results of the bachelor's study and 50% for the talent exam.
- If a larger number of applicants meet the conditions for admission to the given study program, those applicants who have demonstrated the highest degree of ability to study according to the conditions of admission to study will be admitted.

TALENT EXAMS:

Talent exams will be held at these dates:

- Music Education **April 29., 2024**
- Music Art **April 29., 2024**
- Art Education **May 28., 2024**

Talent exams from *Music Education* consist of a practical part and interview with the applicant. Knowledge and skills from Bachelor's degree are required.

You can find more information at: <https://khkurk.wixsite.com/katedra/talentove-skusky>

Talent exams from *Music Art* consists of a practical part and interview with the applicant. Knowledge and skills from Bachelor's degree are required.

You can find more information at: <https://khkurk.wixsite.com/katedra/talentove-skusky>

Talent exams from *Art Education* consists of two parts: theoretical and practical. The students show their theoretical knowledge in the history of art exam, which focuses on historical or current issues of visual art. The practical exam consists of active creative work, which is carried out in each studio – intermedia studio, design and craft studio, planar art disciplines studio and spatial art disciplines studio. The applicant carries out a practical exam on a topic announced during the admissions. Part of the practical exam is also a presentation of portfolio of each art studio.

GENERAL INFORMATION ON ADMISSION PROCEDURE:

If a student wishes to apply for more study programmes, he/she has to submit a separate application form for each study programme.

These documents have to be enclosed to the application form:
